Key information

Components: 80 cards

Players: 3 - 10

Duration: 5 - 10 minutes play time

Features

Simple rules - teachable in 1 minute

Pitch

A chaotic and physical game. Fast reaction time and a good memory is the key to success. This game brings the spirit of a line dance to places like the pub and to people that don't dance.

Carry out actions and slide cards around a table in unison. Too slow or make the wrong move and you must pick up. First player to run out of cards wins.
